

# WHAT'S UP WESTRIDGE

THE OFFICIAL WESTRIDGE NEWSLETTER FROM YOUR NEIGHBORHOOD REAL ESTATE EXPERT

As I watch my first born, Olivia, near her 11th birthday it is wild to think back and reflect on where I was at that age. My 11th year of life brought so many wonderful changes and gifts into my life. Her upbringing and my upbringing couldn't be any different, but I could not imagine my life being any other way! I am who I am because of what I have gone through and I would not change a thing! Who else has a crazy and different life story that they would like to share? Text/call me if you want to connect with me!

## A NOTE FROM YOUR EDITOR & LOCAL REAL ESTATE EXPERT

BY: ELLIE DARROUGH

Woah! Well let me take a minute to thank everyone within the "**What's Up Westridge**" community! The outpour of love and awareness this platform has brought is amazing! This is what community is all about and yet **ONE MORE REASON** I love Westridge!

Once again this platform will be ever changing as of this month I wanted to highlight a few community events that are coming up, but first let's talk about me!

## A BIT ABOUT ME!

I was adopted from an orphanage to a family in Lake Highlands when I was 11 years old. Yup, you heard that right! Talk about having a different story than most people you ever meet. I love that everything I went through has molded me into the daughter, wife, mom, sister and friend that I am today. Que Kelly Clarkson's "Stronger"

I think it is nice to know that we all may be a tad different but are never alone.

## SHIFTING GEARS

In the Darrough family we are as guilty as the next when it comes to over indulging with sweets AND I may or may not have emotionally eaten my way through the what seems like the 10 years of quarantine... so why start with the my New Years resolution now??? **I have partnered up with the Westridge HOA to host an ice-cream social.**

## DID SOMEONE SAY ICE-CREAM?

If your family is anything like ours and spring break snuck up on you and you find yourself with not a clue of how to spend your spring break evenings??? Well allow me to invite you all to sugar up your kiddos (and yourself) and meet your fellow neighbors! I will not be asking what is in your "to go cup" unless mine runs out!

## COME ONE... COME ALL

March 9th from 4-6 at Ash Woods Park Dessert Truck, CRAVE, will be out there passing out Novelty ice cream bars along with shaved ice, on **ME!**

## COMMUNITY EVENTS

Things to do in our community coming in March....

Join Cottonwood Creek Church for their 2022 Spring Festival! We will have games, bounce houses, and more. It's going to be a great time for everyone, and a Kona Ice truck will be there with snow cones for purchase!

High Tops & High Heels is special and elegant evening out in one of our beautiful Play Frisco event centers. Dance the night away making special memories that will last a lifetime. This is a 90-minute, semi-formal dance for moms and their kids. tickets online only at <https://www.friscotexas.gov>
